

WHY TAKE FRENCH?

What Finneytown students say...

I like how we use songs and games to learn the French language.

- Matt, French 1

We learn the language at a pace that's not too fast and not too slow. We get to watch awesome movies and eat good food.

- Ian, French 1

I take French because I know that a lot of countries speak French and I want to travel the world as a doctor.

-Victoria, Fr 1

I like that we do a lot of group activities.

- Sam, French 1

It is way easier to learn than Spanish and we get into entertaining activities.

-Brandon, French 1

I enjoy the people interaction of speaking French with the class.

-- Georgina, French 1

I like French because there are lots of activities and it is easy.

-Noah

I like the ability to speak an important language of multifaceted use. I like learning French culture.

-Ethan H, French 1

French class is fun because we learn a lot about culture through food, dance & other activities. I also love the language itself. French words sound beautiful and sophisticated no matter what you say.

- Anonvmous French 2

French is the language of love. It's a beautiful language and learning about culture is intriguing. French is spoken in many countries and I will use it when I travel

-Karla, French 2

WHY TAKE FRENCH?

What Finneytown students say...

I love getting to be immersed in Francophone culture and think that the language is useful and easy to comprehend. Plus, nous mangeons beaucoup! – Katie C

**I love taking French because it is a language of intelligence and is urbane. It is easier than Spanish (which I took a year of and so I know)
- Anonymous, French 2**

I enjoy French class because I love learning about the culture and speaking the language. Speaking French is like an art, but one that everyone can participate in creating. – Anonymous, Fr 2

**I think that everyone should take French! You get to learn an incredible language through games, song, dance, and interactive activities. You get to learn about culture. Ms. Shackelford teaches kids in a fun way. You learn lots and the class never gets boring. There are tons of opportunities to sing amazing songs, eat amazing foods, and make amazing friends! -
Hannah, French 2**

**The food is delicious, the language is beautiful, and you get to experience so many rich, interesting cultures!
-Ben, French 2**

**French is a fun, useful, interesting language. In this class you will be appropriately challenged and often fed (Yes, there's food;-)
You will learn a lot but the workload is not heavy.
- Megan, French 4**

**I wanted to take French because it's a pretty language and can be useful in the world of business and international diplomacy. In our class we don't just learn language. We learn culture, we connect with our other subjects, and we have fun.
-Anonymous, Fr 2**

I wanted to take a language other than Spanish because that's what everyone was learning but they couldn't speak it. French seemed like an interesting language, and it is. I am glad I made the decision to take this class. We can already use a lot of French. – Anonymous French 1

I like French because I get to dance, play games, eat crepes, have French parties, and learn about French cultures. – Eric, Fr 4
